Headline:
Often cloudy with some sunny spells on Saturday.

This Evening and Tonight:
A largely dry evening with some late sunny spells. Overnight, clear spells to start but cloud increasing into the west through the early hours. Perhaps thick enough for the odd spot of rain. Minimum temperature 10 deg C (50 deg F).

Saturday:
Variable amounts of cloud through the day allowing for occasional sunny spells, but also the odd showery outbreak in the west. Perhaps some brightness later. Breezy. Maximum temperature 22 deg C (72 deg F).

Outlook for Sunday to Tuesday:
Rather cloudy on Sunday with outbreaks of rain at times. Some sunny spells and perhaps a passing shower on Monday. Bright spells to start but increasing cloud later Tuesday.
